Re: Fabrain Obear v. Jessie Lee Allen, Southeastern Freight Lines, Inc., and Travelers
Indemnity Co.
United States District Court, Western District of Louisiana
Docket No.: 2:15-cv-02026
L&A File No.: 4260.42095

Dear Mrs. Solari:

This letter follows the telephone conference I initiated to Judge Magistrate Kay's chambers in an attempt to hold a Scheduling Conference for the above-captioned matter.

As per the Scheduling Conference Order, counsel for Plaintiff was responsible for initiating a conference call on November 5, 2015 at 3:30 p.m. Undersigned counsel did not receive a call from counsel for Plaintiff at or around the time of the scheduled conference call. As such, at approximately 3:35 p.m., undersigned counsel initiated a call to Magistrate Judge Kay's chambers.

Based on undersigned counsel's telephone conference with you, undersigned counsel submits this letter to confirm Defendants' attempt to participate in the Court mandated Scheduling Conference.

The Court should also be advised that counsel for the Plaintiff did not make any disclosures. Thus, the only information Defendants have is from the police report.

By copy of this letter, I am informing Plaintiff's counsel of my communication with the Court.

With kindest regards I remain,

Very truly yours,

A handwritten signature in black ink, appearing to read "K. Joseph Saloom, IV". The signature is fluid and cursive, with the last name "Saloom" being the most prominent part.
